IMPORTANT DATES TO REMEMBER

LAST DATE FOR SUBMISSION OF ABSTRACTS:

February 15, 2021

LAST DATE FOR SUBMISSION OF FULL PAPERS:

February 25, 2021

LAST DATE FOR REGISTRATION WITHOUT LATE FEE:

March 01, 2021

LAST DATE FOR BOOKING OF HOSTEL/GUESTHOUSE ACCOMMODATION:

March 10, 2021

Papers received after February 25, 2021 onward will be printed after the XLIV ISSC. Only Registered Delegates shall be provided free accommodation, transport and free food. Details of allotment of accommodation shall be put on website by March 13, 2021. FOR DETAILS VISIT OUR WEBSITE: www.issaindia.org, www.satiengg.in

To,

All Vice-Chancellors/Principals/Directors/Members/Scientists

Sub: Invitation to XLIV Indian Social Science Congress, March 15-19, 2021, Samrat Ashok Technological Institute, Vidisha

Dear Madam/Sir

I am happy to inform you that the XLIV Indian Social Science Congress will be held at Samrat Ashok Technological Institute from March 15-19, 2020.

As you may be aware, the Congress, organised annually by the Indian Social Science Academy for last forty-three years, is the largest national gathering of social scientists, scholars and researchers as also a unique and only platform for social scientists to interact with scholars from natural, engineering, medical, agricultural and multidisciplinary science.

The focal theme of XLIV Congress is 'New Global Technological Society'. The Congress will have lectures on the focal theme by eminent scholars and different aspects of the theme will be deliberated upon in thematic workshops, research committees of various academic disciplines covered by academic and research institutions.

The detailed Programme of the Congress is available on the web site of Indian Social Science Academy: www.issaindia.org.

Details of registration, participation and submission of abstracts are also available on the web site. I am sure your faculty and researchers would like to avail the opportunity of presenting research papers at the Congress and benefit from interactions with eminent scholars.

This is to request you to kindly circulate copies of this letter along with this booklet to all the faculty and researchers of your institution.

It will be our honour if you could find time to personally participate in the Congress. Your participation would be a source of encouragement, especially to the younger researchers as also provide guidance to ISSA.

With warm regards,

(Ashok Jain)
President

January 13, 2021

To,

All Vice-Chancellors/Principals/Directors/Members/Scientists

Sub: Invitation to XLIV Indian Social Science Congress, March 15-19, 2021, Vidisha

Dear Sir/Madam,

Our Institute is hosting 44th Indian Social Science Congress between March 15-19, 2021 at Vidisha. 'New Global Technological Society' is its focal theme. All its details are given in it. 'Generation and Utilization of Indigenous Science and Technology for Self-Reliant Development', 'Building New Atmanirbhar Bharat, Innovations in Science and Technology Exhibition, Tenth All Indian Young Scientist Convention, etc are its major focus. 28 subject Research Committees representing all subject of science of Nature-Human-Society, 21 interdisciplinary Thematic Panels and numerous Seminars/ Symposia/ Workshops/ Colloquia shall be deliberating on **Current Science Research and Theory vis-à-vis New Global Technological Society**.

We are happy to cordially invite you, your colleagues and research students to the 44th Indian Social Science Congress. Let you also mail the details of innovations by your colleagues while encouraging them to present their original research papers reflecting their creativity. You are welcome to exhibit your university's/Institution's/Organization's innovations in the proposed S&T Exhibition.

Let you circulate it to all your faculty, departments, and research laboratories and depute largest contingent of research scientists to the XLIV Indian Social Science Congress. We shall be happy to receive you and your colleagues.

We look forward for pleasant meeting and very creative/productive interaction during the XLIV Indian Social Science Congress.

With warm regards,

(J. S. Chauhan)

Director

XLIV INDIAN SOCIAL SCIENCE CONGRESS

0100 PREAMBLE

Indian Social Science Academy (ISSA) organizes **Indian Social Science Congress (ISSC)** every year with a view to discovering, developing and disseminating science of Nature-Human-Society through critical appraisal and integration of current research and theory in all subjects of science taught and researched in Indian Universities, Colleges, IITs, IIITs, NITs, Regional Engineering Colleges, Medical Colleges, AIIMS, PGIs, NISERS, ISERS, CSIR, ICAR, ICPR, ICMR, ICSSR and ICHR. Institutes/Laboratories for making India and its peoples creative, self-reliant, prosperous, healthy and happy while living in peace and harmony with Nature.

0200 HISTORY

Indian Social Science Academy (originally, Indian Academy of Social Sciences) was established on August 15, 1974 with its headquarters at Allahabad with a view to creating a new science of Nature-Human-Society in India capable of creating new Atmanirbhar democratic Republic of India free from hunger, disease, ignorance, discrimination, oppression of man by man. Two years later it began organizing National Science Congress. It named it Indian Social Science Congress. First Indian Social Science Congress was held from February 15 to 17, 1976 at Allahabad. Since then it has been held at different universities, details of which are given on page 81. The 40th session of the Indian Social Science Congress was held from December 19-23, 2016 at University of Mysore, Mysuru and the 41st session of it was held from Dec 18 to 22, 2017 at Periyar University, Salem. The 42nd Indian Social Science Congress was held from December 27 to 31, 2018 at Kalinga Institute of Industrial Technology, Bhubaneswar and the 43rd Indian Social Science Congress was held from January 17-21, 2020 at Bengaluru Central University, Bengaluru. Each ISSC has a focal theme, details of which are given on page 81.

All subjects/disciplines of science of Nature-Humans-Society are represented in Indian Social Science Congress. There are 28 Subject Research Committees and 21 Interdisciplinary Thematic Panels in it.

Word Science in Indian Social Science Congress is prefixed with social as science as knowledge is the result of collective mental and physical labour. Science is without any boundary and, is indivisible. Indian Social Science Congress, therefore, is indeed, science congress in true sense. Its focus is on 'Science of Nature-Human-Society'.

University Grants Commission recognizes Indian Social Science Congress on par with Indian Science Congress with distinction of having greater potentiality for developing new indigenous science and technology needed for self-reliant (Atmanirbhar) national development. Every session of Indian Social Science Congress has a focal theme.

0300 44th INDIAN SOCIAL SCIENCE CONGRESS

The Indian Social Science Academy in association with Samrat Ashok Technological Institute shall hold the **44th Indian Social Science Congress between March 15-19, 2021 at Vidisha, M.P**

0400 FOCAL THEME

'New Global Technological Society' is the focal theme of the XLIV Indian Social Science Congress. A note on it is given on page 24.

0500 OBJECTIVES

The Indian Social Science Congress is a multi-disciplinary national science forum, which promotes integration of Science of Nature-Human-Society through intra, inter and multi-disciplinary appraisal and integration of current research and theory. Its deliberations, therefore, relate to (a) the focal theme, (b) current research and theory in each subject/discipline of Science, (c) inter and multi-disciplinary deliberations on the major India's and world's problems; (d) emerging areas of research and (e) improving the quality of education and research through capacity building programmes for young scientists. Specific objectives related to the focal theme, '**New Global Technological Society**' are as follows:

- 0501 To comprehend Digital Technology Revolution in conjunction with scientific Revolution
- 0502 To comprehend India's contribution to Digital Technology Revolution and new Indian technology society
- 0503 To assess impact of Digital Technology Revolution on industrial and agriculture production, marketing and management.
- 0504 To investigate the impact of Digital Revolution on emergence of or sprouting of new economic, commercial, educational, political and cultural organizations/ groups/ conglomerations new civil societies, etc.

- 0505 To assess the impact of Digital Technology Revolution on quality of material, social and cultural life of the people.
- 0506 To determine the role or impact of New Technological Revolution in reducing the gap between the rich and the poor, between the village and town and thereby strengthening the democratic principles of equality, freedom, fraternity and peace.
- 0507 To examine the need, relevance and validity of the new digital Technology based education and research.
- 0508 To explore the new Technological Revolution-born economic, political, social, organizational and cultural theories of sustainable, equitable, harmonious, peaceful, poverty-disease-unemployment-discrimination free global social order.
- 0509 To investigate potentiality of New Technological Revolution for making the world free from the fear of elimination by nuclear, chemical, biological or any form of global war and radiation.
- 0510 To explore the potentiality of New Technological Revolution for making the nature of all humans/Homosapiens truly human by freeing them from their animalist character.
- 0511 To determine the potentiality of new Technological Revolution for making the world healthier, harmonious, happier and pleasant.
- 0512 To explore the impact of corona-born problems on the new technological social system.
- 0513 Any other

0600 MAJOR THEMES

Following major themes of the focal theme '**New Global Technological Society**' are suggested for consideration:

- 0601 Post-Industrial Development of Science and Technology and formation of New Technological society
- 0602 New Technological Revolution: From Labour intensive to capital intensive.
- 0603 India's and Third World's contribution to New Technological Revolution
- 0604 New Industrial Technology
- 0605 New Agricultural Technology
- 0606 New Social Science and Technology
- 0607 New Biotechnology
- 0608 New Genetic Engineering
- 0609 New Communication Technology
- 0610 New Information Technology Revolution
- 0611 New Biomedical Engineering Technology

- 0612 New Health Science and Theory
- 0613 New Economic Theory and Method
- 0614 New World Trade Organization
- 0615 New Patent Law and Intellectual Property regulations
- 0616 New Environmental and Ecological Science and Technology
- 0617 New Technological Revolution in Social Judicial system
- 0618 Global Village
- 0619 New Education Technology and Radical change in School, College and University Education System
- 0620 Impact of New Technological Revolution on Family, Community, Society and State
- 0621 Impact of New Technological Revolution on Small and Medium Industries
- 0622 Impact of New Technological Revolution on Rural-Urban and rich-poor divides.
- 0623 Connection between Digital divide and Socio-economic divide
- 0624 New Technological Social Entrepreneurship
- 0625 Impact of New Technology on Conflict, War, Peace and Social Security: Technological Disasters, Nuclear Disaster and Ecological Disasters
- 0626 New or Neoliberal Policies of Democracy and emerging new notion of nation and nationality
- 0627 Impact of New Technological Revolution on Survival and Growth of Peoples Languages
- 0628 Virtual World vs Real World
- 0629 Data Mining and its Social Implications
- 0630 Newer forms of Technological Slavery and Freedom
- 0631 Impact of New Technological Revolution on Global Warming and Global Climate
- 0632 Implications of Growing Global e-commerce, super markets and Malls on Small and Medium shops/traders.
- 0633 GST and its implications
- 0634 New Technological Revolution and Future of Mankind
- 0635 Emerging Corona Virus like newer threats to life on Planet Earth
- 0635 Any other

0700 SEMINARS/SYMPOSIA/WORKSHOPS/COLLOQUIA

It is proposed to hold following International/National/ Seminars/ Symposia/ Colloquia on issues related to 'New Global Technological Society' during the XLIV Indian Social Science Congress:

0701 INTERNATIONAL SEMINARS/SYMPOSIA

Following themes are suggested for International Symposia/Seminars:

- 0701: New and Emerging Technology-Society Configurations
- 0702: Redefining Problems of Science of Nature-Human-Society
- 0703: Post-Corona New Global Technological Society and its sustainability
- 0704: Any other

Further Details are on page 53.

0701 NATIONAL SEMINARS/SYMPOSIA

Following themes are suggested for National Symposia/Seminars:

- 0701: Generation and Utilization of Indigenous Science and Technology for Self-Reliant Development
- 0702: Building Atmanirbhar Bharat (Self-Reliant India)
- 0703: Privatization as powerful weapon of liberation
- 0704: Public Health System
- 0705: Public Education System under New Education Policy
- 0706: Impact of Farmers Acts on Farming System
- 0707: Impact of New Labour Laws on labour
- 0708: One Nation-One Card

- 0709: Social Violence Theory
- 0710: State of Art of Indigenous New Digital Technology
- 0711: New Social Entrepreneurship in India
- 0712: New Civil Society Movements for Solution of Problems of Democratic Republic of India
- 0713: New Technology based Solutions for Conservation of Water, Natural Resources and Biodiversity
- 0714: Post-Corona India and its Peoples
- 0715: Digitalized Space Science and Technology
- 0716: Gender Issues in Science and Technology
- 0717: Sustainable Technology and Gandhian Thoughts

0800 RESEARCH COMMITTEES

There are 28 Subject Research Committees in 44th Indian Social Science Congress. Each Research Committee has two chairperson (one local and one outstation), two convenors (one local and outstation) and 15-25 members from all over India. Details are given on page 29 Each Research Committee appraises and attempts to integrate current research and theory through deliberations on research papers, Seminar/Symposia/Colloquia/Workshops/Special lectures/ ad-hoc group discussions on themes of greater theoretical and methodological significance. Major objectives of each Research Committee are: (a) to appraise the quality of research and problems associated with it, (b) discover newer theory and method, (c) contribute to improvement of education and research and (d) to bring out publication of papers in all Indian languages in order to fill-in the existing void and thereby create necessary conditions for flowering of science in India that is liberating.

Since focal theme of the XLIV Indian Social Science Congress is 'New Global Technological Society', each Research Committee may identify themes related to it and hold seminars/symposia lectures for reviewing 'Current Research and Theory's of 15-30 years of research in its domain. Each Research Committee shall identify and invite those who have done creative research in their areas to write a critical review papers. Besides, young researchers and others are welcome to present their papers on ongoing research. Proposed themes of each Research Committees are given below for illustration:

0100: AGRICULTURE SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 0101: Current Research and Theory in Agriculture
- 0102: Agrarian crisis and farmer suicide
- 0103: Agri-business, food industry and packaged foods
- 0104: Agricultural economy and market economy
- 0105: Agricultural education and research (ICAR & private)
- 0106: Agricultural policy and snags in implementation
- 0107: Agrochemicals on soil health
- 0108: Agroforestry
- 0109: Biotechnology and GM Crops
- 0110: Can organic agriculture feed the billion plus population?
- 0111: Climate changes, risk to agriculture and mitigation possibilities
- 0112: Dairy Animal Husbandry, Livestock and Poultry
- 0113: Digital innovation, big data and agriculture
- 0114: Expanding Agriculture, environment and wildlife
- 0115: Farmers loans- National banks and cooperative banks
- 0116: Farmers' cooperative societies and Suicides
- 0117: GM crops- human and environmental health
- 0118: High yielding seeds, agricultural productivity and cost benefit ratios

- 0119: Human in agriculture
- 0120: Impact on living organisms and environment
- 0121: Integrated farming systems
- 0122: Mechanization and agricultural robots
- 0123: Monsoons, drought, floods and agriculture
- 0124: Pesticides, fungicides and health of humans and animals
- 0125: Pollinators, predators of pests (arthropods & invertebrates) and pesticides
- 0126: Precision agriculture
- 0127: Self-Sufficiency in Pulse and Oil seeds
- 0128: Equation between Agriculture and Industry
- 0129: Vertical Horticulture, Water Management, Rejuvenation of Water Bodies and Linkage of rivers
- 0130: Agriculture and Marketing
- 0131: Any other.

(b): New Global Technological Society

- 0101: New Technology, Agriculture Science and Agriculture
- 0102: Equation between Agriculture and Industry under New Global Technology
- 0103: New Technology, New Farm Laws and Agriculture

0200: ANTHROPOLOGY RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 0201: Current Research and Theory in Anthropology
- 0202: Physical Anthropology
- 0203: Social Anthropology
- 0204: Cultural Anthropology
- 0205: Indigenous/Tribal People of India
- 0206: Tribal and Primitive Societies
- 0207: Tribal Science and Technology
- 0208: Ethnography
- 0209: Anthropological Methods and Theories
- 0210: Any other

(b): New Global Technological Society

- 0201: New Global Technology and Social Conditions of Human on Planet Earth
- 0202: Impact of New Global Technology on Primitive Communities Societies

0300: ARCHAEOLOGY, HISTORY AND CULTURE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 0301: Current Research and Theory in History
- 0302: Current Research Theory in Archaeology
- 0303: Current Research in the History of Ancient, Medieval and Modern Era
- 0304: Preservation of Heritage and Archaeological Sites
- 0305: History of Homosapiens
- 0306: Cultural History and Current Research and Theory of Culture and Civilization
- 0307: History of Science and Technology
- 0308: History of Medical Science
- 0309: Economic History
- 0310: Social History
- 0311: Colonial History
- 0312: History of Freedom Struggles, History of Modern Democratic Republic of India
- 0313: Historiography

0314: Any other

(b): New Global Technological Society

0301: The interface of technology and historical processes from ancient to contemporary periods

0302: Newer Archaeological Technology and Methods

0400: BIOLOGICAL OR LIFE SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

0401: Current Research and Theory in Animal and Plant Science

0402: Current Research and Theory in Biophysics

0403: Current Research and Theory in Bio-Chemistry

0404: Current Research and Theory in Plant Biology

0405: Current Research and Theory in Emergence and Evolution of Life

0406: Current Research and Theory in Genetics and Genetic Engineering

0407: Current Research and Theory in Molecular and Cellular Biology

0408: Current Research and Theory in Biological System

0409: Biological Methods and Theories

0410: Biodiversity, Ecology and Life Science

0410: Bioinformatics

0411: Virology

0412: Corona/Biotechnology Theory and Method

0413: Any other

(b): New Global Technological Society

0401: New Global Biological Technology

0402: Biological Warfare Technology

0500: BIOTECHNOLOGY RESEARCH COMMITTEE

(a): Current Research and Theory Themes

0501: Current Research and Theory in Biotechnology

0502: Current Research and Theory in Nano technology

0502: Current Research and Theory in Biotechnology of Plants and Agriculture

0503: Current Research and Theory in Biotechnology of Medicine

0504: Methods and Theory of Biotechnology

0505: History of Biotechnology

0506: Innovation in Biotechnology by Indians

0507: Any other

(b): New Global Technological Society

0501: New Biotechnology of Corona

0600: CHEMICAL SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

0601: Current Research and Theory in Chemical Science

0602: Organic Chemistry

0603: Inorganic Chemistry

0604: Physical Chemistry

0605: Supramolecular Chemistry
0606: Materials Chemistry
0607: Bio-Chemistry
0608: Any other

(b): New Global Technological Society

0601: New Global Chemical Technology and Its Bio-social Implications
0602: Chemical Warfare

0700: COMMERCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

0701: Current Research and Theory in Commerce
0702: Trade war and International Trade
0703: Online trading and its impact on Retail Trading
0704: Globalization and International Trade
0705: Consumer, Consumerism and Consumer Rights
0706: Compulsive consumerism and Environmental degradation
0707: Platform Commerce
0708: Gig Economy
0709: Innovations, Entrepreneurship and Intrapreneurship
0710: Organizational Behavior and Human Resource Management
0711: Green Human Resource Management
0712: Sustainable Commerce and Climate change
0713: Sustainable Development Goals and Sustainable consumption
0714: Social marketing, Service Marketing, Green Marketing
0715: International Marketing
0716: Information Communication Technology (ICT) and Business
0717: Finance, Accounting, IFRS, Green Accounting
0718: Strategy and Operation
0719: Organizational Development
0720: Sustainability and Corporate Social Responsibility
0721: Derivatives and Commodity Marketing
0722: Plastic card Revolution in Online and Digital Marketing
0723: Banking and Insurance
0724: Changing face of Management in the eras of Globalization
0725: Corporate Governance
0726: Taxation and GST
0727: Customer Relationship Management
0728: Eco Tourism
0729: Cost and Management Accounting
0730: Consumers Buying Behavior and Brand Loyalty
0731: Any other

(b): New Global Technological Society

0701: New Global Technology and Global Trade and Commerce
0702: Newer Forms and Methods of Commerce and Trade

0800: COMMUNICATION AND JOURNALISM RESEARCH COMMITTEE

(a): Current Research and Theory Themes

0801: Current Research and Theory in Communication and Journalism

- 0802: Information Technology and Digitalized Communication
- 0803: Fake News and Man Media Communication
- 0804: Politicization of Man Media Communication
- 0805: Media and Democracy
- 0806: Social Media
- 0807: Media, Environment and Climate Change
- 0808: Media and Gender
- 0809: Media and Politics
- 0810: Media Literacy
- 0811: Any other

(b): New Global Technological Society

- 0801: Newer Forms and Methods of Communication
- 0802: New Global Communication Technology and Growing Social Conflicts and Social Violence
- 0803: Corporatisation New Global Technology of Communication and Its Social, Economic and Political Impact

0900: COMPUTER SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 0901: Current Research and Theory in Computer Science
- 0902: Growth of indigenous, Digital Technology Hard Work vs Soft Work

(b): New Global Technological Society

- 0901: Indigenous Computer Science and Indigenous Digital Technology for Atmanirbhar Bharat
- 0902: India's Dependence on Imported Digital Technology

1000: EARTH SCIENCE (Oceanic Sc, Marine Sc., Atmospheric Science Etc) AND PLANETARY SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 1001: Current Research and Theory in Earth Science and Planetary Science
- 1002: Geophysics
- 1003: Astrophysics
- 1004: Marine Science
- 1005: Atmospheric Science
- 1006: Global Warming and Climate Change
- 1007: Biodiversity
- 1008: Ecology and Environment
- 1009: Earthquakes
- 1010: Ocean Science
- 1011: Innovations by Indian Earth Scientists
- 1012: Water and Earth
- 1013: Anthropocene
- 1014: Any other

(b): New Global Technological Society

- 1001: New Global Technology and Planet Earth
- 1002: New Technology and Climate Change
- 1003: New Global Planetary Science, Technology and Space Society

1100: ECOLOGICAL AND ENVIRONMENTAL SCIENCE RESEARCH COMMITTEE

(a): Current Research and Theory Themes

- 1101: Current Research and Theory in Ecology and Environment Science
- 1102: Pollution of Air, Noise, Water, Soil and Food
- 1103: Disruption of Food Chain
- 1104: Forest Fire and Wildlife Fragmentation
- 1105: Solid Waste Generation and Management
- 1106: Deforestation and Desertification

2809: New Sociology of New Global Technological Society
2802: New Sociology of Knowledge of New Technological Society
2803: New Technological Society, Social Process, Social structure and Social Element

0900 THEMATIC PANELS

There are 21 Interdisciplinary Thematic Panels. Theme of each panel is major problem of modern world demanding appropriate scientific solution. Scientists of diverse disciplines working on the common theme are expected to present their research papers and attempt building a common concept, theory and method. An action plan-based on appropriate scientific theory which if acted upon may resolve problems and thereby make the world better. All thematic panels are open to scientists of diverse disciplines, policy planners, field groups and social activists. Details of the Thematic panels are as follows.:

1. Conflicts, War, Peace and Social Security
2. Democracy And Human Rights
3. Ecological and Environmental Protection Movements
4. Ethics of Science and Society
5. Global Warming and Climate Change
6. History and Philosophy of Science
7. Information Technology, Mass Media and Culture
8. Labour in Organized and Unorganized Sectors
9. Nation, States and Emerging Challenges
10. Natural Resources, Bio-diversity and Geographic Information System
11. Patent Laws and Intellectual Property Rights
12. Peasants, Livelihood and Land-use
13. People (Dalits, Tribes, Women, Peasants, etc) Struggles And Movements For Equitable Democratic Society
14. Peoples Health and Quality of Life
15. Political Economy of India
16. Population, Poverty and Migration
17. Rural Technology, Social Organizations and Rural Development
18. Science Communication and Science Popularization
19. Science, Technology and Social Development
20. Social Processes, Social Structures and Social Alienation
21. Unity of Science /Science of Nature-Humans-Society

Further details are on page 43.

10. AD HOC GROUP DISCUSSION

Scientists or a group of scientists doing research on a new theme having newer theoretical and methodological and social implications are welcome to organize discussion on the same. **Those interested in it are advised to send their proposals to the General Secretary before.** The proposer shall be its convener and should mobilize 5-10 participants having papers on the same theme. This kind of deliberations are meant for new emerging areas of research and theory. Those who are interested in organizing such discussions/dialogues are requested to contact the General Secretary of Indian Social Science Academy.

11. X ALL INDIA YOUNG SCIENTISTS CONVENTION

Young Science Division of Indian Social Science Congress organizes All India Young Scientists Convention with a view to enabling our young scientists to play central role in development of indigenous science of Nature-Human-Society. So far 9 sessions of it has been held. **The X All India Young Scientists convention** will be held between March 15-19, 2021, during the 44th Indian Social Science Congress. **‘Learning Science of Nature-Human-Society’** will be its major theme. Besides, conditions of research facilities, availability of appropriate fellowships, language of education and research, contractual teaching and research, job opportunities, etc will be sub-themes for Young scientists. Young scientists enrolled for Ph.D will be welcome to interact with the senior scientists for seeking advice.

Young scientists of all subjects are welcome to submit their papers and notes on specific issue/themes for discussion at the X All India Young Scientists Convention. They are also welcome to submit papers on ‘Current Research and Theory in Science’ and ‘New Global Technological Society’. Two-three good papers will be listed for presentation in plenary sessions.

Names and addresses of the Chairman and convenor of the X All India Young Scientists Convention are given on page 52. All those who want to participate in it are advised to contact them.

12. NATIONAL SCIENCE AND TECHNOLOGY EXHIBITION

Samrat Ashok Technological Institute and Indian Social Science Academy have resolved to organize a National Science-Technology Exhibition on **‘Innovations and Discoveries in Indian Science-Technology for Atmanirbhar Bharat’** along with a national symposium on **‘Building Atmanirbhar Bharat’** and other related seminars/symposia/plenaries on **‘New Global Technological Society’** during the XLIV ISSC. Eventually, such an exhibition shall become regular feature of ISSC.

All R&D organizations, IITS, NITS, CSIR, ICMR, ICAR, DST, TFIR, AICTE, IISc. ICMR, National and Regional Laboratories, Agricultural and Technological Universities, Institutes, Universities and Colleges are cordially invited to display their innovations, discoveries in the realm of Science-Technology which in their views can help in building ‘Atmanirbhar Bharat’. All those participating institutes/groups/individuals are expected to first submit the brief information about their exhibits and space required. All would be expected to register before March 01, 2021.

Details of Registration Fee:

- (i) Institutional: Rs. 15,000/-
- (ii) Companies: Rs. 25,000/-
- (iii) NGO's: Rs. 10,000/-
- (iv) Individuals: Rs. 5,000/-

Note: The Registration fee should be sent by account payee/DD or by multicurrency cheque in favour of Director, Samrat Ashok Technological Institute, Vidisha. Individuals not having institution support are welcome to seek exemption from registration.

All inquiry should be addressed to the following:

Prof. C. S. Sharma
Chairman
National S&T Exhibition Committee
Samrat Ashok Technological Institute
Vidisha, M.P.

Dr. J. S. Chauhan
Director
Samrat Ashok Technological Institute
Vidisha, M.P.
Email: jschauhan@rediffmail.com
jscivil@rediffmail.com
M: 9826244840

13. TASK FORCE

A Task Force constituted for the XLIV Indian Social Science Congress shall deliberate over its deliberations between 21:30 – 23:00 hours everyday with a view to exploring new ideas, theories, methods and social relevance. It will present its 'Trend Report' on March 19, 2021 at 14:00 hrs at the assembly of all delegates for discussion and adoption. All Chairpersons and Convenors are its ex-officio members.

14. SUBMISSION OF PAPERS

All university and college teachers, students and scientists working in CSIR, ICAR, ICMR, ICSSR, ICPR, ICHR, DST Institutes, IISc, IISERS, NISERS, IITs, IIITs, MNITs, Engineering Colleges, Medical and Health Science Universities, Medical Colleges, AIIMS, PGIs, National/Regional Laboratories, DRDO's Institutes/Laboratories, are cordially invited to present their research papers at the 44th Indian Social Science Congress. Those who are not formal scientists too are welcome to submit their papers and participate in XLIV ISSC.

Papers can either be based on research or review of researches or study of policies and Peoples movements. Those who are working in the field and wish to present papers based on their field works too are welcome to present their papers. However, **none is permitted to present papers by copying others' papers from research Journals or internet.** Each paper, therefore, has to be accompanied by a duly signed 'Declaration Form' given in the annexure. Scientists found guilty of plagiarization shall be responsible for their acts.

Three copies of a paper, with CD and its abstract in triplicate should be submitted to the General Secretary, Indian Social Science Academy. Abstract of papers should be within 500 words and the paper within 7000 words and format given in the annexure should be used

It is advisable to e-mail abstracts and papers to the respective Chairman of Research Committees/Thematic Panels and the General Secretary, ISSA in order to facilitate quick response (See pp ____). All papers are edited by the respective research committees. Provisional acceptance is issued on receipt of abstract of the paper and final acceptance after submission of the full paper and completion of registration. **One should register only on receipt of provisional acceptance letter.**

15. DATES FOR SUBMISSION OF PAPERS

The last date for submission of abstracts and full papers are as follows:

- | | | |
|---------------------------------------------|---|-------------------|
| (i) Last Date For Submission of Abstract | : | February 15, 2021 |
| (ii) Last Date For Submission of Full Paper | : | February 25, 2021 |

It may be noted that one can submit paper even after the last date and till March 14, 2021. No paper, however, will be received during the session of the 44th Indian Social Science Congress. **The papers received after February 20, 2021 will be printed after the XLIV ISSC is over.**

Since issue of visa is a time consuming process, the foreign scholars are advised to submit the abstracts of their papers before February 05, 2021 and the full paper before February 15, 2021 along with their bio-data after visiting website of Ministry of External Affairs, Government of India

16. MEDIUM

Papers can be submitted either in **Hindi** or in **English** as the Hindi and English are the official medium of Indian Social Science Congress. As a policy Indian Social Science Academy would like to have all Indian languages as the medium of exchange at ISSC. However, it doesn't have resources for it. Those who cannot

write in Hindi or English are welcome to write in their language. However, they are expected to **mail the original text of their papers along with the translated copy either in Hindi or English.**

17. GOLD MEDALS

Two Gold Medals, namely, **A. K. Tharien Gold Medal** and **B. V. Rangarao Gold Medal** are available for the best papers presented at the XLIV Indian Social Science Congress. Two best papers of XLIV ISSC adjudged by appropriate committee shall be given Gold Medals at the next session of Indian Social Science Congress in 2020.

Philanthropists/Trusts/Members are welcome to donate for creation of Gold Medals/Memorial Lectures in the names of their beloved.

18. ACCOMMODATION AND FOOD

All registered delegates of XLIV Indian Social Science Congress shall be provided free Guest House/Hostel Accommodation and free food with effect from March 14, 2021 (dinner only) to March 20, 2021 (breakfast). Accommodation, however, will be available from March 14, 2021 morning. Foreign delegates will be provided accommodation on receipt of intimation well in advance. **Those wishing to stay in hotels are advised to make their own arrangements. The Organizing Committee would charge rent for the accommodation prior to March 14, 2021 and after March 20, 2021.**

All correspondence regarding accommodation should be addressed to the Local Organizing Secretary. **Filled-in Accommodation and Food Form** and **Travel Form** given in the annexure should be mailed to the Local Organizing Secretary before March 10, 2021.

19. TRANSPORT AND RECEPTION

All registered delegates of XLIV Indian Social Science Congress will be received at railway station/airport/bus station at Vidisha and Bhopal Airport on receipt of information well in advance. All are advised to be in communication with the organizing Secretary of the XLIV Indian Social Science Congress in order to have smooth and pleasant reception, transport and accommodation.

All those who wish to be received are requested to mail the filled-in Travel Form given in the Annexure to the Local Organizing Secretary latest by March 10, 2021. One can contact the Local Organizing Secretary over phone as well as e-mail.

20. VIDISHA DARSHAN

Vidisha is a beautiful historical place. Ashok's Sanchi is near to it. Arrangement for visit to beautiful places will be made on March 14, 2021 and March 20, 2021. Delegates desirous of seeing the beautiful and historical places in Vidisha are requested to contact the Local Organizing Secretary well in advance.

21. REGISTRATION

All those who wish to present their research papers at XLIV Indian Social Science Congress are requested to get themselves registered by paying the stipulated registration fee. Details of registration fee are as follows:

CATEGORY	Up to March 01, 2021	From March 02, 2021
1. Member Delegate	Rs. 3,000.00	Rs. 3,500.00
2. Non-Member Delegate	Rs. 4,000.00	Rs. 4,500.00
3. Institutional Member Delegates (upto three persons)	Rs. 10,000.00	Rs. 12,000.00
4. Non Member Institutional Delegates (upto three persons)	Rs. 15,000.00	Rs. 18,000.00
5. Member Student Delegates	Rs. 2,000.00	Rs. 2,500.00
6. Non-Member Student Delegate	Rs. 2,500.00	Rs. 3,000.00
7. Local Delegate	Rs. 2,000.00	Rs. 2,500.00
8. Foreign Delegates		
(a) From Afro-Asian-Latin American countries	Rs. 5,000.00	Rs. 6,000.00
(b) From other countries (North America And Europe)	US \$ 200.00	US \$ 250.00
9. Accompanying Persons*		
(i) Indian	Rs. 2,000.00	Rs. 2,500.00
(ii) Afro-Asian-Latin American countries	Rs. 2,500.00	Rs. 3,000.00
(iii) Other Foreign countries (North America And Europe)	US \$ 150.00	US \$ 200.00

***The word 'accompanying person' means wife or husband or child. A child below the age of 6 years shall not be charged for food**

One who is not a member but wishes to become member of the Indian Social Science Academy can send the membership fee and the registration fee meant for member-delegate along with filled-in membership and registration forms.

An institution/organization member can depute its three or more representatives to the Indian Social Science Congress. In the event of more than three representatives, the cost of registration for individual delegate (member or non-member) shall be payable by the concerned institution/organization.

Unregistered scholars attending XLIV Indian Social Science Congress shall be required to buy the food coupon from the counter. No accommodation and certificate shall be provided to unregistered scholars or scholars who have registered without submitting any paper. No one will be entitled to receive literature of XLIV ISSC without registration. However, such scholars can buy the publications from the counter.

The Registered delegate is entitled to receive kitbags, all publications of the XLIV Indian Social Science Congress including its proceedings free of cost, free hostel accommodation, free meals, and free transport from the Guest House/Hostel to the venue of XLIV ISSC. The Organizing Committee may provide free or on payment transport from the railway station/airport to the Guest House/Hostel depending upon its resources. However, delegates staying in hotels or on their own shall not be entitled for free transport. Local registered delegates will be entitled for kitbags, free lunch, day tea/coffee and banquets only. Free Breakfast, lunch, day tea and dinner will be available to registered delegates with effect from evening of March 14, 2021 to the morning breakfast of March 20, 2021 only.

Samrat Ashok Technological Institute is likely to put some registered delegates in nearby other Guest Houses, Hostels and other hotels if its Guest House and Hotels accompanied are full. Plenary/Public Speakers, Chairpersons, Special Invitees and EC Members are requested to inform the Organizing Secretary about their need for Guest House Accommodation.

The registration fee should be sent to the General Secretary, Indian Social Science Academy by an account payee Cheque/DD in favour of Indian Social Science Academy payable at Allahabad under registered cover. Outstation cheque or money order will not be entertained. Multicity cheques will be accepted. Till date there is no online facility. So one should not transfer registration on any online facility. ISSA will not be responsible for it.

Although on the spot registration will be made, yet the Organizing Committee is not bound to provide hostel accommodation to such outstation delegates if the accommodation is not available.

It is, therefore, advisable to get registered within the stipulated time in order to avoid last minute inconvenience.

The invited scholars and members of the Executive Council, NAAC, Organizing Committee, Research Committees, Thematic Panels, Task Force and other bodies and special invitees are advised to pay the registration fee within the stipulated period and act in accordance with advice by the General Secretary, Indian Social Sciences Academy. **None is exempted from registration fee. Registration is necessary for enabling the Organizing Committee to arrange accommodation, transport and food for all.**

Timely registration and intimation of need for accommodation will facilitate planning for food, accommodation, Transport, Kits, etc.

Refund of the registration fee will be made after deducting 40% as the service charges if the request for it is received before March 15, 2021. Literature of the XLIV ISSC, however, shall not be supplied in such cases. Those who have registered but are not able to attend the XLIV ISSC because of unavoidable reasons would be supplied all the publications if their request for refund is not received within the stipulated date or if they do not wish refund.

In the event of more than one author of a paper, all will be required to pay the registration fee individually. Co-author of a paper shall not be treated as accompanying person.

22. MEMBERSHIP

Indian Social Science Congress is open to ISSA members as well non-members. Those who wish to become members of ISSA are advised to post their membership fee along with filled-in membership form to the General Secretary. **Such new members shall be eligible for concession in registration fee of XLIV ISSC.**

23. TRAVEL SUPPORT

All the scholars working in universities, colleges, research institutes, laboratories and R&D organizations shall be expected to seek travel and registration support from their respective organizations. Those who are retired or do not enjoy any institutional support are advised to write to the General Secretary, Indian Social Science Academy before February 15, 2021. All research students in receipt of UGC/CSIR/ICSSR/ICHR/ICPR Fellowships shall meet their travel and registration fee from their contingency grants. Such research students who are not receiving any fellowship are advised to write to the General Secretary along with 'bonafide' and 'non-receipt of Fellowship certificate' from their Registrar. Partial or full support will be provided on **availability of fund**. All Plenary speakers, Chairpersons/Conveners not having institutional support are advised to inform the General Secretary at the earliest. Local Chairpersons/Conveners/Participants shall seek registration support from their universities/college/institutions.

All requests for travel support will be considered by the appropriate committee and decision will be communicated by March 01, 2021.

No one without paper and without prior commitment by the General Secretary in writing shall be entitled for travel support and on the spot payment of the TA bill is subject to receipt of UGC' Grant before March 15, 2021 by Samrat Ashok Technological Institute, Vidisha. In the event of UGC's refusal to give its grant of Rs. 20,000,00/- Samrat Ashok Technological Institute shall disburse upto Rs.12,00,000/- for travelling expenses including registration of all the resource persons as per commitment to the plenary/public lecture/speakers/chairpersons and convenor/resource persons.

Request for travel support by scientists working in Universities/Institutes/Colleges will be considered on availability of funds. Such scholars would be expected to submit **non-payment of TA and registration certificate** by the Registrar/Principal/Finance Officer of their organizations.

24. PROGRAMMES

Programme of XLIV Indian Social Science Congress shall begin at 0900 a.m. and will continue till 23.00 hours every day. Registration of local delegates will commence on March 14, 2021 and outstation non-registered delegates on March 15, 2021. An outline of programmes of XLIV ISSC is given inside the cover page. The structure of programmes will be as follows:

0600-2300	Registration
0900-1300	Plenary
1300-1400	Lunch Break
1400-1700	Parallel Sessions
1700-1830	Special/Public Lectures/Annual General Body Meeting/Official Meeting
1830-1900	Annual General Body Meeting/Official Meeting
1930-2030	Cultural Programme
2030-2120	Dinner
2130-2300	Task Force/Young Scientists Meet/State Social Science Academies

(Those RCs, Thematic Panels/Symposia, Seminars etc needing extra time can hold their sessions during 1900-2030 and 2139-2300 hours),

Inauguration of XLIV ISSC will be held between 1000-1200 hrs on March 15, 2021 and the valedictory between 1600-1800 hrs on March 19, 2021.

Printed copies of Programmes will be available to registered delegates with Kits from the registration counter with effect from March 14, 2021 on production of registration receipt. Discount of 40-50% will be available on ISSA publications.

All Research Committees, Thematic Panels and Symposia groups shall meet on March 14, 2021 at 14.30 hrs. at Samrat Ashok Technological Institute, Vidisha.

Annual Meeting of the General House of the Indian Social Science Academy will be held on March 16, 2021 at 1800 hrs at Samrat Ashok Technological Institute, Vidisha. All ISSA Members are cordially invited to it.

Organizing Committee and Executive Council shall meet on March 14, 2021 at 10.00 a.m. at Samrat Ashok Technological Institute, Vidisha. Both the committees will act session till March 19, 2021.

No Committee/Panel other than Plenary can hold meetings between 0900-1300 hrs as all delegates are expected to attend plenary sessions in the morning. The Programme Committee will be working till March 15, 2021

25. CERTIFICATE

Certificates will be available to the registered delegates with papers from the registration counter with effect from March 18, 2021 noon. All the registered delegates wishing to obtain certificates are requested to submit **'Self-Appraisal Participation Report'** to the registration counter latest by March 18, 2021 at afternoon

No certificate will be issued to the registered delegates without papers. Participation without papers by the local scholars is welcome, but no participation certificate will be issued to them. Certificate to volunteers will be issued after March 19, 2021.

Although all are expected to stay and participate in the deliberations of XLIV Indian Social Science Congress with effect from March 15 to 19, 2021, yet those who wish to leave before because of some urgency are advised to inform the Local Organizing Secretary and the registration counter about the date and time of their departure along with their postal addresses in writing. Their certificates will be posted later on.

A NOTE ON

NEW GLOBAL TECHNOLOGICAL SOCIETY

THE FOCAL THEME

OF

XLIV INDIAN SOCIAL SCIENCE CONGRESS

0100 PREAMBLE

Indian Social Science Academy (ISSA) **in association** with Samrat Ashok Technological Institute (SATI) proposes to focus deliberations of the 44th Indian Social Science Congress on '**New Global Technological Society**' with a view to comprehending its necessity, relevance, validity and potentiality for ensuring sustenance of life on Planet Earth while enabling the people to enjoy higher order of peaceful, material, social, cultural and creative life in harmony with Nature.

0200 CONTEXT

History of origin, evolution of life and the history of development of human, science, technology and society shows a very high correlation between Science, Technology and Society. Development of cognitive capacities in homosapiens or humans enabled them first to develop tools, techniques and later science and technology which led to formation of family, community, society, state and nation. Broadly speaking, three forms of revolution following technological and scientific revolution emerged in the process. These are:

- 0201: Agricultural Revolution
- 0202: Industrial Revolution
- 0203: Digital Technology Revolution

Majority of the homosapeins living naked in herds/guilds by hunting-gathering formed family and community during agricultural revolution. Nature of Social formation that began during shifting cultivation transformed to higher forms during settled agricultural revolution which led to the origin of rudimentary forms of society and state.

Further development of science and Technology, which was termed 'Scientific Revolution' in 17th century led to industrial revolution which caused radical change in production process, social processes and social structures. Industrial Revolution caused radical change in social character of production and distribution, between society and state, between rural and urban, between owner of industries and workers in the industries. Rural-Urban divide and rich-poor divide went on sharpening along with scientific and Technological Revolution. Social conflicts and wars became endemic. First and Second World Wars were highly devastating.

Post-World War II led (a) liberation of colonial countries, (b) establishment of United Nations Organization and (c) Organization of Science and Technology under the control of State.

Post-1950 development in Science and Technology led to Third Technological Revolution which is called Digital Technology Revolution under the leadership of United States and Russia. Despite initial gains between 1950-1965, India remained far behind and subsequently became a biggest market for imported Digital Technology. However, it gave rise to '**New Global Technological Society**'.

This 3rd Technological Revolution caused tremendous change in industry, economy, trade, education, social structure and social process and culture. 'New World Order' became the catch phase in 1970-1980s and was defined by another new phrase 'Liberalization, Privatization and Globalization in 1990s'. 'Knowledge-society' was second new catch phrase. Suddenly, the whole world became 'Global Village'. The old theories of liberalization was replaced by 'New liberal theory rooted in philosophy of 'Liberalization, Privatization and Globalization'. Socialist society in USSR disappeared in 1991 which led to collapse of Berlin Wall and disappearance of Socialism from Europe and Peoples Republic of China. 'Unipolar world' became the new

phrase of the new world order. The new society world over is now described as 'New Global Technological Society'. Theoretically, it is without boundary and all encompassing.

Question arises what is this New Global Technological Society? What does global village mean? How has it affected the old social order? What do family and community mean? What are the tenets of New Global Technological Society? Is it real or virtual? What is the connection between real and virtual? What is the nature of new social relations? What is the connection between democracy and New Global Technological Society? Is it equalizer? How has it affected economy, health, education and culture? etc.,etc.?

Indian Social Science Academy and Samrat Ashok Technological Institute, therefore, propose to focus deliberations of the 44th Indian Social Science Congress on '**NEW GLOBAL TECHNOLOGICAL SOCIETY**'. Though the deliberations of the 42nd Indian Social Science Congress were focused on 'Human Future in Digital Era', yet it is considered very important to examine the new social formations within and outside India. It has acquired greater significances because of corona-born national/global crisis. Education, health, agriculture, industry and all social activists have been taken over by the New technology called Digital Technology.

0300 OBJECTIVES

- 0301 To comprehend Digital Technology Revolution in conjunction with scientific Revolution
- 0302 To comprehend India's contribution to Digital Technology Revolution and new Indian Technology Society
- 0303 To assess impact of Digital Technology Revolution on industrial and agricultural production, marketing and management.
- 0304 To investigate the impact of Digital Revolution on emergence of or sprouting of new economic, commercial, educational, political and cultural organizations/ groups/ conglomerations new civil societies, etc.
- 0305 To assess the impact of Digital Technology Revolution on quality of material, social and cultural life of the people.
- 0306 To determine the role or impact of New Technological Revolution in reducing the gap between the rich and the poor, between the village and town and thereby strengthening the democratic principles of equality, freedom, fraternity and peace.
- 0307 To examine the need, relevance and validity of the new Digital Technology based education and research.
- 0308 To explore the new Technological Revolution-born economic, political, social, organizational and cultural theories of sustainable, equitable, harmonious, peaceful, poverty-diseases-unemployment-discrimination free global social order.
- 0309 To investigate potentiality of New Technological Revolution for making the world free from the fear of elimination by nuclear, chemical, biological or any form of global war and radiation.
- 0310 To explore the potentiality of New Technological Revolution for making the nature of all humans/Homosapiens truly human by freeing them from their animalist character.
- 0311 To determine the potentiality of new Technological Revolution for making the world healthier, harmonious, happier and pleasant.
- 0312 To explore the impact of corona-born problems on the new technological social system.
- 0313 Any other

0400 ISSUES ANS SUB-THEMES

Following tentative issues/themes related to the New Global Technological Social order are stated for discussions:

- 0401 Post-Industrial Development of Science and Technology and formation of New Technological society
- 0402 New Technological Revolution: From Labour intensive to capital intensive.
- 0403 India's and Third World's contribution to New Technological Revolution
- 0404 New Industrial Technology
- 0405 New Agricultural Technology
- 0406 New Social Science and Technology
- 0407 New Biotechnology
- 0408 New Genetic Engineering

- 0409 New Communication Technology
- 0410 New Information Technology Revolution
- 0411 New Biomedical Engineering Technology
- 0412 New Health Science and Theory
- 0413 New Economic Theory and Method
- 0414 New World Trade Organization
- 0415 New Patent Law and Intellectual Property regulations
- 0416 New Environmental and Ecological Science and Technology
- 0417 New Technological Revolution in Social Judicial system
- 0418 Global Village
- 0419 New Education Technology and Radical change in school, college and University Education System
- 0420 Impact of New Technological Revolution on Family, community, society and state
- 0421 Impact of New Technological Revolution on small and medium industries
- 0422 Impact of New Technological Revolution on Rural-Urban and rich-poor divides.
- 0423 Connection between Digital divide and Socio-economic divide
- 0424 New Technological Social Entrepreneurship
- 0425 Impact of New Technology on Conflict, War, Peace and Social Security: Technological Disasters, Nuclear Disaster and Ecological Disasters
- 0426 New or Neoliberal Policies of Democracy and emerging new notion of nation and nationality
- 0427 Impact of New Technological Revolution on Survival and Growth of Peoples Languages
- 0428 Virtual World vs Real World
- 0429 Data Mining and its Social Implications
- 0430 Newer forms of Technological slavery and freedom
- 0431 Impact of New Technological Revolution on Global warming and Global climate
- 0432 Implication of Growing Global e-commerce, super markets and Malls on Small and Medium shops/traders.
- 0433 GST and its implication
- 0434 New Technological Revolution and Future of Mankind
- 0435 Emerging Corona Virus like newer threats to life on Planet Earth
- 0435 Any other

0500 INTERNATIONAL SYMPOSIA

Tentative themes for International Symposia/Seminars

- 0501: New and Emerging Technology-Society Configurations
- 0502: Redefining Problems of Science of Nature-Human-Society
- 0503: Post-Corona New Global Technological Society and its sustainability
- 0504: Any other

0600 NATIONAL SYMPOSIA/SEMINARS/WORKSHOPS

Tentative themes suggested for national seminars/symposia/workshops are as follows:

- 0601: Generation and Utilization of Indigenous Science and Technology for Self-Reliant Development (Atmanirbhar Vikas)
- 0602: Building Atma Nirbhar Bharat (Self-Reliant India)
- 0603: Privatization as powerful weapon of liberation
- 0604: Public Health System
- 0605: Public Education System under New Education Policy
- 0606: Impact of Farmers Acts on Farming System
- 0607: Impact of New Labour Laws on labour
- 0608: One Nation-One Card
- 0609: Social Violence Theory
- 0610: New Social Entrepreneurship in India
- 0611: New Civil Society Movements for solution of problems of Democratic Republic of India
- 0612: New Technology based solutions for conservation of water, natural resources and biodiversity
- 0613: Post-Corona India and its Peoples

- 0614: Digitalized Space Science and Technology
- 0615: Gender Issues in Science and Technology
- 0616: Sustainable Technology and Gandhian Thoughts
- 0617: Any other

0700 PROPOSAL

There are 28 subject Research committees and 21 Interdisciplinary Thematic Panels as stated below in the Indian Social Science Congress

(a) SUBJECT RESEARCH COMMITTEES

1. Agriculture Science Research Committee
2. Anthropology Research Committee
3. Archaeology, History And Culture Research Committee
4. Biological Or Life Science Research Committee
5. Biotechnology Research Committee
6. Chemical Science Research Committee
7. Commerce Research Committee
8. Communication And Journalism Research Committee
9. Computer Science Research Committee
10. Earth Science (Oceanic Sc, Marine Sc. , Atmospheric Science Etc) And Planetary Science Research Committee
11. Ecological And Environmental Science Research Committee
12. Economics Research Committee
13. Education Research Committee
14. Engineering Science Research Committee
15. Geography Research Committee
16. Home Science Research Committee
17. International Relations Studies & Defense Strategic Studies Research Committee
18. Juridical Science Research Committee
19. Linguistics Research Committee
20. Management Science Research Committee
21. Mathematical And Statistical Science Research Committee
22. Medical And Health Science Research Committee
23. Philosophy Research Committee
24. Physics Science Research Committee
25. Political Science Research Committee
26. Psychology Research Committee
27. Social Work Research Committee
28. Sociology Research Committee

(b) THEMATIC PANELS

1. Conflicts, War, Peace And Social Security
2. Democracy And Human Rights
3. Ecological And Environmental Protection Movements
4. Ethics Of Science And Society
5. Global Warming And Climate Change
6. History And Philosophy of Science
7. Information Technology, Mass Media And Culture
8. Labour In Organized And Unorganized Sectors
9. Nation, States And Emerging Challenges

10. Natural Resources, Bio-Diversity And Geographic Information System
11. Patent Laws And Intellectual Property Rights
12. Peasants, Livelihood And Land-Use
13. People (Dalits, Tribes, Women, Peasants, Etc) Struggles And Movements For Equitable Democratic Society
14. Peoples Health And Quality Of Life
15. Political Economy Of India
16. Population, Poverty And Migration
17. Rural Technology, Social Organizations And Rural Development
18. Science Communication And Science Popularization
19. Science, Technology And Social Development
20. Social Processes, Social Structures And Social Alienation
21. Unity Of Science /Science Of Nature-Humans-Society

Intra, inter and multidisciplinary deliberations on the focal theme will, therefore, be held during the 44th Indian Social Science Congress. Eight Plenaries and 5-7 public lectures and a few international and national symposia/seminars shall be multidisciplinary. Subject Research Committees shall deliberate on related issues of the focal theme as well on **Current Research and Theory** in their domains. A National Academic Advisory Committee set up by the Academy shall help the Executive Council and the Organizing Committee to formulate issues, themes on the focal theme and identify expertise in respective areas.

0800 QUESTIONS

Hosts of questions arise: What is Third Technological Revolution? How is it different from the second Industrial Revolution? What is its impact on agriculture, small and big industries, rural-urban divide, markets, trade and commerce? Will it solve the problems of economic, social, ecological and culture created by the Industrial Revolution? Will it reduce the inequality between the super rich and the poor? Will it resolve the process of conflict and War? Will it make the present world order more democratic, more harmonious and more livable? Will it stop the extinction of species on Planet Earth? Will it stop desertification of the Planet Earth from deforestation and mining? Will it resolve the ever growing problems of clean potable water? Will it ensure gainful employment to all able bodies? Will it promote belongingness in all by eliminating the process of ever growing social and natural alienation? Will it promote social cohesion and social harmony? Will it make all healthier and happier etc? etc? Will it replace human labour? Will it destroy superstitions? Will it promote scientific temper among all? Will it destroy centralization of economic and political power? Is Philosophy of 'Love to All and Prejudice to None' the Philosophy of New Global Technological Society?

Answer to all these and many more questions in relation to New Technological Society ought to be dispassionately searched in order to find correct answers having relevance to the New Global Technological Society and making the future of humans better and secure.

Another very important question is can the New Global Technological Society form a bridge or close the rift between human and nature, the rift between family and community and the rift between social classes produced by the Second Technological Revolution called Industrial Revolution? What about new threats from corona like viruses? Above all will the new global technology society be free from borders, inequality, poverty, discrimination and war? Is there now an acute need for redefining problems of science?

0900 APPROACH

Intra, inter and multidisciplinary approach to scientific understanding of 'New Technological Society' shall enable the Indian scientists to develop appropriate scientific theory, philosophy and method of New Global Technological Society. The outcome will be fruitful to research, education, development and policy formulation.

XLIV INDIAN SOCIAL SCIENCE CONGRESS

RESEARCH COMMITTEES

Chairpersons, Convenors and Members of 28 Research Committees

1. Agricultural Science Research Committee

Chairman (Outstation)	Dr. B. XLIV INDIAN SOCIAL SCIENCE CONGRESS

Organizing Committee

Patron	Shrimant Jyotiraditya M. Scindia Samrat Ashok Technological Institute, Vidisha, M.P
Co-Patron	Dr. Laxmikant Markhedkar Samrat Ashok Technological Institute, Vidisha, M.P
Chairman	Dr. J. S. Chauhan Director, Samrat Ashok Technological Institute, Vidisha, M.P
Local Organizing Secretary	Dr. Pramod Sharma Dean Academic, Samrat Ashok Technological Institute, Vidisha, M.P
Joint Local Organizing Secretary	Dr. Manorama Saini Samrat Ashok Technological Institute, Vidisha, M.P
Joint Local Organizing Secretary	Dr. Rajiv Jain Samrat Ashok Technological Institute, Vidisha, M.P
Joint Local Organizing Secretary	Dr. Jyotsana V. Ogale Samrat Ashok Technological Institute, Vidisha, M.P
Joint Local Organizing Secretary	Dr. S. S. Goliya Samrat Ashok Technological Institute, Vidisha, M.P

SAMRAT ASHOK TECHNOLOGICAL INSTITUTE

Our Great Founders

**H.H. Kailashwasi Maharaja
Jiwaji Rao Scindia.**

**H.H. Kailashwasi Maharani
Vijaya Raje Scindia**

**Kailashwasi Babu
Takhatmal Jain Ji**

**Kailashwasi Babu
Ramsahay Ji**

**H.H. Kailashwasi Maharaja
Madhav Rao Scindia**

BRIEF INTRODUCTION

Samrat Ashok Technological Institute, a premier institute of the region, was established on November 1, 1960 under the “Open Door” policy of the Government of India, by **Maharaja Jiwajirao Education Society, Vidisha** with a donation from the Gangajali Trust Fund of the Scindias, erstwhile rulers of the Gwalior state, and commitment of non-recurring grants from the Government of India and the Government of Madhya Pradesh in agreed proportions.

The foundation stone of the Institute was laid down by late **Pt. Jawahar Lal Nehru, Hon’ble Prime Minister of India** on Feb. 13, 1962 and was inaugurated by late **Dr. Rajendra Prasad, Hon’ble President of India**.

Late Pt. Jawahar Lal Nehru, Hon’ble Prime Minister of India (Feb. 13, 1962)

The Institute started with a total intake of 120 students per year in the three major disciplines of engineering, namely, Civil, Mechanical and Electrical Engineering. It was affiliated to the Vikram University Ujjain to which the three other colleges in the region, namely, MACT (Now MANIT) Bhopal, SGSITS Indore and MITS Gwalior were also affiliated at that time. After the establishment of Bhopal University at Bhopal, now renamed as Barkatullah Vishwavidyalaya, the Institute was affiliated to it along with MACT (Now MANIT) Bhopal and GEC, Bhopal. With the establishment of the Rajiv Gandhi University of Technology (RGPV) at Bhopal in 1998, the Institute was affiliated to this university.

The Institute has completed its 60 glorious years. During the last 60 years, the institute grew up in a big way. The institute which was started with 3 UG programmes in Engg., now offers eight undergraduate courses in Engineering (B.Tech.), six Post graduate courses in Engineering (ME/M.Tech.), MCA, Master of Business Administration (MBA), P.G. in Applied Chemistry and Full Time/Part-time Ph.D. programmes with approx 2500 students. Institute has academic autonomy status; Institute has got NAAC accreditation also. Two of our programmes B.Tech. Mechanical and B.Tech. EI has accreditation from NBA. Institute has well qualified, experienced & dynamic faculty to impart the high quality education in Engg./Technology, Science and Management. There are well equipped modern laboratories, well stocked Digital E-Library, sports facilities and other facilities to meet academic, Co-curricular extra-curricular activities, and other requirements. MHRD, Govt of India, New Delhi, has selected this institute under the World Bank Scheme TEQIP-III with financial assistance of Rs. 15.00 crores. The objective of the scheme is to establish Academic Excellence in the institute through various activities and to enhance the employability of UG/PG students. Institute has established 14 centre of excellence and different centres in its premises.

Since its inception, Institute has played a significant role in developing human resources to meet the requirement of industries with high social values at home and abroad.

CAMPUS

The College campus, a few minutes walk from the Railway Station is situated in the Civil Lines area, of Vidisha. It is spreading over 85 acres lush green land with well maintained roads and approaches, playgrounds and gardens etc. It has its own tube well based water supply and uninterrupted power supply through an H.T. substation.

OUR GLORIOUS JOURNEY

Mr. KAILASH SATYARTHI ONE OF THE NOBEL LAUREATE FOR PEACE PRIZE 2014 BELONGS TO OUR INSTITUTE. He graduated from this prestigious Institute in Electrical Engineering in the year 1974. Some of our eminent alumni have achieved world class caliber and competence and have been awarded National and International awards including "*Padma Shree*" (Er. V.K. Chaturvedi)

OUR PROMINENT ALUMNI

Padmashree Awardee

Nobel Peace Laureate

Ex Vice Chancellor

IAS, Govt of Maharashtra

Instrumentn. Engg.

Dr. Abhijit Kulkarni 1989 Batch: Elex &
Instrumentn. Engg.

Ex. Vice Chancellor , Delhi Technological University, Delhi &
Founder Vice Chancellor, RGPV Bhopal

Ex. Member of Parliament

I.A.S. (Ex. Principal Secretary,, Ex. Collector & D.M. Mumbai,
Commissioner- Transport and Excise, Govt. of Maharashtra)

Ex. Vice President, Reliance Petrochemicals

Ex. Vice President Hindustan Lever Ltd.

Secretary (Power), Sikkim Govt.

Executive Director (Safety & KM), Nuclear Power Corp. of
India Ltd.

Retd. Managing Director (Operations and Maintenance)

Chattisgarh State, Power Distribution Company (Raipur)

Chairman Railway Recruitment Board (South East Central
Zone)

Indian Railways Engineering Services (IRES), Chief Materials
Manager

Indian Railways Engineering Services

President, Bajaj Electricals, Mumbai.

Dy Director-Satellite Communication Programmes ISRO

Additional Chief Engineer (C&I) at Nuclear Power Corporation
of India Limited

Executive, CEO Office, TCS, Mumbai

Executive Director (Personal Care), Hindustan Unilever Ltd.

Vice President (R&D) Advanced Bionics, LA, USA

& Many More....

OFFERED PROGRAMMES

Undergraduate Programmes

The Institute is, at present, running the following full-time undergraduate programmes :

Full-Time Courses (4 year duration) (8 semesters)

1. B.Tech. (Civil Engg.)	-	Intake 60 seats
2. B.Tech. (Mech. Engg.)	-	Intake 120 seats
3. B.Tech. (Elect. Engg.)	-	Intake 60 seats
4. B.Tech. (Electronics & Instrumentation)	-	Intake 120 seats
5. B.Tech. (Electronics & Communication)	-	Intake 60 seats
6. B.Tech. (Computer Science & Engg.)	-	Intake 120 seats
7. B.Tech. (Internet of Things)	-	Intake 60 seats
8. B.Tech. (Artificial Intelligence & Data Science)	-	Intake 60 seats

Post-Graduate Programmes

A. Engineering & Technology Courses (4 semesters) Intake 18 seats in each

1. M.Tech (Construction Tech. & Mgt.)	: Civil Engg. Deptt.
2. M.Tech (Environmental Engg.)	: Civil Engg. Deptt.
3. M.Tech (Transportation Engg.)	: Civil Engg. Deptt.
4. M.Tech (Advanced Production Systems)	: Mech. Engg. Deptt..
5. M.Tech (Power Electronics)	: Elect. Engg. Deptt.
6. M.Tech. Computer Science & Engg.	: CSE Deptt.

B. **Master of Computer Application (MCA)** (4 semesters) **Intake 30 seats**

C. **M.B.A.** (Master of Business Administration) (4 semesters)- **Intake 60 seats**

D. **M.Sc. in Applied Chemistry** (4 semesters) **Intake 25 seats**

Ph.D. Programmes (Full/Part Time)

- Institute is approved as research center of Rajiv Gandhi Prodyogiki Vishwavidyalaya, Bhopal & Barkatullah University, Bhopal for Ph.D. Programmes in all disciplines of Engineering/ Technology, Science and Management from affiliated university. Faculty of this & other institutes and the scholars under research projects of AICTE/DST/UGC/MPCOST opt this Institute as their research center under the guidance of Professors of this Institute. Institute publish a research journal "SATI Journal of Science & Technology".
- AICTE has approved this Institute as QIP research center for Ph.D. in engineering and technology in Civil, Mechanical, Electrical, CSE, IT with two seats each.

D.Sc. Programmes :

Institute is approved as research center of Barkatullah University, Bhopal for D.Sc. programme.

Educational Facilities

Centre of Excellences

- Cost effective Building Materials & construction Techniques established by Department of Civil Engineering.

- LabVIEW Academy established by EI Deptt.
- Additive Manufacturing Lab established by Department of Mechanical Engineering Department.
- Advanced Geo polymer concrete & its products established by Department of Civil Engineering.
- Embedded Design & Simulation lab, established by Electrical Engineering Department.
- Non-Violence & Peace in Education, established by Department of Humanities & Management
- Virtual Instrumentation & IoT, established by Department of Electrical & Electronics.
- Ramanujan Design Centre, established by Department of Civil Engineering
- AI & Machine Learning centre, established by Department of Computer Science & Engineering.

Laboratories

The Institute has latest well equipped laboratories in all the science and engineering departments capable of catering the needs of both undergraduate and post-graduate courses. In recent years, these laboratories have been extensively modernised with the help of grant received from the Government of India. The Institute has developed several new laboratories in advanced and emerging areas of science and technology capable of supporting post-graduate programs and also research projects taken up by faculty and students.

Computer Facilities

Apart from a well established Computer Centre catering to the needs of the B.TECH. (Comp. Sc. & Engg./Information Tech.) Course and the computer science components of the various other B.TECH. courses, all the departments have developed their own computer facilities to cater to their post-graduate programs as well as student projects which are becoming increasingly more computer oriented. Institute has approximately 800 computer system with latest configurations..

The Computer Application, Computer Science & Engg. Departments have developed major Computer Centers which cater to the Master of Computer Applications Program, M.Tech. program as well as various other short term Courses. Likewise Applied Mathematics Department, has also developed its own Computer Centre. There is central "State-of-the-art" Computer Centre with latest 120 computer systems with multiple environment of computing and 100 mbps lease line NKN internet connectivity & 100 mbps Jio Wifi connectivity with round the clock accessibility to staff and students. All departments/Sections are connected under network.

Central Workshop

The Central Workshop already having all the conventional trade shops has been extensively modernised to cater to the needs of fabrication work involved in student projects and has a very modern Metrology Laboratory for precision measurements.

Central Library

The Library has a rich collection of all kinds of text and reference books related to all subjects of various disciplines of Engineering, Management, and Science. It has more than 75,000 volumes and subscribes to 105 national journals and technical magazines. It has an excellent collection of educational videos and CDs covering various subjects. The library extends Book Bank facility to all the students. The library remains open from 9:00 AM to 8:00 PM on all working days.

The Central Library provides Open Access System facility to all its users. Central Library is managing Digital Library Solution (DLS) in which we are providing NPTEL Lecture videos (about 2500 Nos.) access facility throughout the Institute campus by Local Area Network (Intranet). Library also has been providing multiuser e-resources access in library as well as on the Local Area Network of the Institute through Internet. It also provides user-friendly Online Public Access Catalogue (OPAC) facility to make easy access of library documents. Institute is having consortium membership of e-shodhsindhu, New Delhi and INFLIBNET, Gandhi Nagar through Central Library.

Institute Library has subscribed to various e-journals databases i.e. Science Direct (Engineering & Computer sc.), J-gate for Engineering and Computer Sc., We are accessing various e-journals database. Our library is also a member of National Digital Library IIT Kharagpur.

Placement Cell

The Placement Cell has been established with emphasis on healthy Industry-Institute interface. This enables the students of institute to get placement opportunities in both on campus as well as off-campus recruitments. The department timely organizes various workshops and training sessions for the students, to train them and to make them familiar with different aspects of personality development and enhancement of

their communication skills. Department takes help of various renowned Institutes and consultancies freely, to provide effective and professional training to the students.

Companies coming for recruitment are provided with all facilities of accommodation, transport and for conducting PPT, written test, Group discussion etc. Every year number of reputed companies visit our campus and recruit our students in their placement drives.

Co-Curricular and Extension Programmes

Entrepreneurship Development Cell

An Entrepreneurship Development Cell was established in 1996 with assistance from the Department of Science & Technology, Government of India. It has already earned a high reputation as one of the most active EDCs in the country. The EDC regularly conducts entrepreneurship awareness programmes and camps for science and engineering students, apart from many other target groups with a view to encourage them to go for self-employment instead of running after the fast dwindling avenues of employment.

The EDC conducts many job oriented Professional Courses in collaboration with recognised universities and organisations apart from EDCs and EACs etc.

Training programme Sanctioned under PMKVY and MMKVY are being run by EDC.

The Civil Engineering Technology Development Centre (CETDEC)

The Centre was established with a grant of Rs. 7.00 lakhs from the Ministry of Human Resources Development in 1991-92 to carry out work in the field of cost effective and alternative materials and technologies of construction. Very soon after its establishment it was recognised as a Building Centre by the Housing & Urban Development Corporation (HUDCO) and a modest grant of Rs. 1.50 lakhs was given to it by HUDCO in March 1992 as per their Building Centre scheme.

The activities of the Building Centre are being co-ordinated with those of the Entrepreneurship Development Cell in order to add an element of entrepreneurship to its activities in view of the vast scope for self-employment in the field of building construction.

This centre known by the name of Vidisha Building Centre has become one of the outstanding Building Centre not only in the country as a whole doing work in the development and propagation of low cost housing technology. HUDCO, New Delhi has given national recognition to this Building Centre for doing outstanding work in the field of low cost housing.

Engineering Associations and Vigyan-Takniki Parishad

All the Engineering Departments have formed Engineering Associations of their respective branches to encourage students to participate in professional activities so as to be better able to cope with the work environment they will step in to, after passing out. These societies conduct tours and organize talks by experienced professionals, seminars and workshops etc. in important fields related to the respective branches.

A Vigyan-Takniki Parishad with a wide membership among faculty members, has been founded a few years back for co-ordinated inter-disciplinary work. It has started publishing the SATI Journal of Science & Technology, a research journal.

The Institute also has the following local chapters of All India Professional Societies :

1. Indian Society for Technical Education, Vidisha Chapter
2. Computer Society of India, Vidisha Chapter
3. Student Chapter of Institution of Engineers (India) is proposed to be set up in near future.
4. IET Student Chapter.

Alumni Association

After the first batch which graduated out in 1965, the Institute has sent out, by now, large no. of engineers and scientists through the ever increasing graduate and post-graduate programmes being conducted by it. Several of these alumni, spread over the whole country and beyond have by now reached the top rank in their departments and organizations and a very large number of them occupy senior and influential positions, where they could help the new pass-outs in many ways. All of them have a deep love and a high regard for their 'alma mater' and some who have been able to find time to visit the Institute now are struck by the spectacular progress made since they left years ago. They have a keen desire to do something for the Institute and its pass-outs.

An Alumni Association at the Institute was formed in 1986 on the occasion of the Silver Jubilee of the Institute. Its membership is compulsory for all students. The Association is very soon bringing out a directory of Alumni of the Institute giving names, addresses, and telephone numbers, mobile numbers, email addresses etc. of all students who passed out since 1965 and whose current addresses have been possible to verify. This directory shall be made available on our website. The directory will also contain information about SATI Alumni Associations formed in various cities and towns in the state and the country and will be updated once in a year. Alumni Co-ordination Committee (ACC) has been constituted to establish the linkage with the alumni.

Games, Sports & Physical Activities

The college provides excellent facilities for practically all major outdoor and indoor games and has a full-time Sports Officer with adequate supporting staff to assist in games and sports activities, apart from members of teaching staff deputed as Professors-In-Charge of various major games and sports.

The games and sports activities are organized under overall control and guidance of College Sports Council, consisting of all captains and all Professors-In-Charge and Advisers of various games.

The Institute has been organizing "Shrimant Madhav Rao Scindia Memorial inter engineering state level cricket tournament" on turf wicket for last sixteen years successfully.

Some of the major facilities are given below :

1. Well maintained Cricket, Football & Hockey Grounds
2. A well maintained Racing Track
3. Two Tennis Courts
4. A concrete Basket Ball Court and Skating Ring.
5. Two Indoor Wooden Badminton Court.
6. Indoor Games Hall for miscellaneous indoor games like Table Tennis, Carom Board, Chess etc.
7. Well equipped gymnasium.

Extra-Curricular & Co-Curricular Activities

As part of its philosophy of imparting total education the Institute encourages a large number of extra-curricular & Co-Curricular activities so that the students develop a well-rounded personality and become responsible citizens too, apart from being good professionals.

The scheme of studies and examinations for B.TECH. courses provides for General Proficiency marks in Final year which give weightage to games, sports, cultural and social service activities. Students are constantly advised to take up and participate in at least two activities out of the following :

(A)	Academic Clubs
	<ul style="list-style-type: none"> • Fiat Club • Flux Club • Club'O' E • Business Club • SAI Club • Sanrachna Club
(B)	Cultural Clubs
	<ul style="list-style-type: none"> • SPIC MACHY Chapter • Music Club • Rudrass Club • Udaan Club • Aaghaz Theatre Club • Mirage - Capturing Beyond Vision (Photography Club) • Kaviraj Society • The Art Box • Inspire Club

Students Counseling and Guidance

Tutor Guardian Scheme exists for students counseling & guidance. Under this scheme, 15-20 students are assigned to a faculty member who acts as Tutor guardian to solve their problems and guide them to choose the right direction for their future.

Institute Web Portal Facility

Institute has procured and implemented result processing system and management system from CRISP. The acquired system developed the institution service portal including student registration, online fee collection, result publication online account of each student on SATI portal and online profiles of each department of SATI.

Online services for the students

- Separate online account of each student.
- Student can access services and information of this portal through their login IDs provided by CRISP.
- Student will get their current status information pertaining to academic and examination.
- Student's Educational history in SATI.
- Online Enrollment card/ Smart Card
- Online examination form submission
- Online fee payment facility through internet banking.
- Online result publication.
- Digital copy of mark sheets
- Latest information related to Sports, Workshops, Seminars and other Events conducted by Institute and Department.
- Information regarding Awards and Scholarship.

- l. All useful forms and documents in downloaded format.
- m. Syllabus, timetable, etc.
- n. Get the result alert of the students.

Campus Facilities

1. Cooperative Stores

A registered cooperative stores exists in the campus which co-ordinates the management of Hostel messes and supplies other items of utility at reasonable rates.

2. Bank & Post Office

A full-fledged branch of State Bank of India along with ATM facility exists inside the campus providing good banking facilities to staff as well as students. Every student has to open a Bank Account as all payments to any student or other person is made by college only through an Account Payee cheque. A branch of Central Bank of India also exists in the campus. A post office also functions in the campus.

3. Dispensary

A dispensary with basic medical facilities has been set up in the campus with a qualified compounder. Services of one Male and one Lady Doctor are also available. Institute has a Tie-up with a hospital for the students.

4. Guest House : One guest House is available in the institute.

5. Alumni Transit Home

Alumni Transit Home has been constructed in front of Director's Bungalow with the partial contribution by the Alumni. It has the facility for comfortable stay. Alumni & parents of regular students of this institute are permitted to stay here on nominal charges as per norms with the permission of Director.

6. Canteen

Newly constructed canteen exists adjoining to Alumni Transit Home and opposite to guest house.

7. KIOSK CENTER for online / off campus counseling exist in the institute.

Major Achievements/Awards (Last 5 Years)

- Declared Autonomous Institute by UGC in 2015-16.
- Got NAAC Accreditation in year 2016.
- Re-accredited by NBA in Mechanical and EI Engineering Programmes in the year 2018.
- Funded by TEQIP-II and TEQIP-III. SATI becomes one amongst the 92 colleges of the nation to secure TEQIP-III grant.
- Got 1st All India Position in the performance audit of TEQIP-III in year 2019.
- Leading Skill Development & Training Centre- Civil Engineering Technology Development Centre (CETDEC), Low Cost Construction Material and Techniques, PMKVY, MMKSY, MMKY, Babu Takhtmal Jain Handloom Centre etc.
- Established 10 Centre of Excellences in different Technological Areas
- Established Centre of Excellence for Non-violence in Higher Education in the year 2019.
- Established AIMA Centre, Ramanujan Design Centre in the year 2019.
- Centre of Excellence in Virtual Instrumentation & IoT Excellence Centre, Tinkering Lab in the year 2019-20.

- Established National Incubation Centre for Agricultural Products-2019
- Revised Centre For Advancement of Geopolymer Science and Technology, Green Building Centre

- Few exceptional International Events organized at SATI:

- Int. Conference on “High Power Coherent Radiation Generation and its interaction with Matter-2016”
- Int. Conference on “Signal Processing- ICSP-2016”
- International Seminar & exhibition on “Innovation and Opportunity in Building Materials and Technology-2018”
- Int. Conference on “Non-Violence & Peace-2019”.
- International Seminar on “Formal Solution to In-Formal Settlements” #HUDCO New Delhi-2019 with representatives from 22 countries viz. Afghanistan, Botswana, Ethiopia, Fiji, Kenya, Lushoto, Malawi, Mauritius, Mongolia, Myanmar, Nigeria, Peru, Sierra, Fiona, Sudan, Sri Lanka, Tajikistan, Tanzania, Trinidad, Silva, Zimbabwe.

- National Agricultural Business Summit – 2019

- Antar Bhartiya National Children Anand Festival organized. Great Gandhian and philosopher Shri Subbaraoji (Bhaiji) gave a message of world peace -2019

MoUs with several leading Organizations/Institutes/Industries including MoU between SATI & NHAI (National Highway Authority of India) signed in October 2020.

- Awarded in the field of Construction Technology. Got appreciated at 23rd CIDC Annual Day, New Delhi.
- Awarded ISTE Delhi's Best Chapter Award.
- Awarded by All India Council for "Robotics and Automation" at IIT Delhi for outstanding performance in Science Technology Engineering and Mathematics (STEM).
- Around 122 Webinars/Expert Talks/Training Programmes/STTP etc were organized during the COVID Pandemic.

- Nodal Centre for National Level "Smart India Hackathon Grand Finale 2020"
- Co-organizer I-CAN's Y4AB (Yuva for Aatmnirbhar Bharat)

- Organized Several Alumni Meets and HR Conclave in 2019-20.
- Our Student Mr. Himanshu Jain of CSE Branch secured All India 3rd Rank in GATE-2020
- SATI got 3rd position in JLU Basketball League 2019.
- SATI became Basketball Inter College Nodal Tournament Champion -2019.
- Saurabh Arjariya, a student of the Civil Branch won the gold medal at the national level competition (Malkhambh).
- NCC cadets of SATI ranked first in senior category on the Republic Day.
- Secured ALL INDIA RANK in Indian Engineering Olympiad-2017.
- SATI Lifts Shrimant Madhav Rao Scindia Memorial Cricket Tournament Cup 2017.
- SATI Team secured 1st Prize in National Level Competition of AICTE “Student Vishwakarma Award-2017”
- SATI won first prize in Madhya Pradesh Tech Innovation Challenge-2017.

भारतीय समाज विज्ञान अकादमी

INDIAN SOCIAL SCIENCE ACADEMY

The Indian Social Science Academy (ISSA when abbreviated) is the first National Science Academy of independent Democratic Republic of India and fourth in chronicle order. The other three National Science Academies—Indian National Science Academy (INSA), Indian Academy of Sciences (IAS) and National Science Academy of India (NSAI) were born in British India. ISSA was born, 46 years ago, on August 15, 1974 at University of Allahabad in an assembly of young scientists. August 15, 1974 symbolized a beginning of an altogether new science reflecting democratic needs, aspirations, creative urges / potentialities, history, culture and traditions of peoples of India. Its name was carefully chosen for reflecting the true meaning and function of science. The setting up of the Indian Social Science Academy also heralded a beginning of a new movement for unity of science of Nature-Humans-Society by forging unity among all branches of science. Many described it as a *barometer* of science and society in India in particular and world in general. In more than one sense ISSA is a unique body in the whole world.

Science means objective knowledge of non-living and living things / objects and knowledge means answer to questions ‘what’, ‘how’ and ‘why’, about a thing / object. The word ‘Nature’ connotes all forms of objects / things / matter including humans and societies. Nature-Humans-Society form one single continuum. So division of science into physics, chemistry, biology, environment, ecology, agriculture, medical, social, historical etc., is artificial and all such divisions provide partial objective knowledge of Nature-Humans-Society. Unity of Science of Nature-Humans-Society, therefore, is necessary for having correct and full understanding of Nature-Human-Society science, thus, viewed is unitary as well as uniting.

The Science as an objective knowledge of non-living and living objects / things / matter is produced through collective mental and physical labour of men and women. What is the result of collective labour is termed as **social** and what is **social is public and not private**. Science, therefore, is **social**. It springs in society comprising men and women. **Because it is social it has social functions**. It has the prime role in enabling men and women to enjoy higher quality of material, social and cultural life in harmony with Nature. However, all such social functions of science filter through different groups in the society because of which one doesn’t find one-to-one relationship between science and conditions of all men and women of all societies. Humans’ inability to create a science-based society is well reflected in modern societies all over the world.

The Indian Social Science Academy seeks to discover, develop and disseminate science of Nature-Humans-Society in Indian conditions in particular, and world conditions in general, with a mission to build a new Democratic Republic of India where there is no hunger, no poverty, no unemployment, no illiteracy, no disease, no bigotry, no superstitions, no communalism, no casteism and no discrimination of any form and where all men, women and children enjoy equally good quality of material, social, cultural and spiritual life in harmony with Nature without any kind of fear of violence, rape and murder.

‘Love to All, Prejudice None’ is the Philosophy of Science which guides all scientific pursuits of ISSA.

Founders of the Indian Social Science Academy thought that science can benefit the peoples of a given society **only** when it is taught and researched in their **own language**. **Communication of scientific research and science education in people’s own language, therefore, is key to the unfolding of creative potentialities of peoples and benefiting them.** Unfortunately, even after 73 years of independence science in India is communicated through English. The end result is peoples of India who fund all scientific research are deprived of its benefits. The creativity in science is continuously declining. The Indian Social Science Academy., therefore, seeks to change it by creating necessary conditions for communication of scientific research and science education in Indian languages involving publication of research journals, monographs, books, etc., in all Indian languages.

All branches of science as mentioned below constitute the Indian Social Science Academy:

1. Agricultural Science

2. **Anthropology**
3. **Archaeology, History and Culture**
4. **Biological or Life Science**
5. **Biotechnology**
6. **Chemical Science**
7. **Commerce**
8. **Communication And Journalism**
9. **Computer Science**
10. **Earth Science (Oceanic Sc. Marine Sc., Atmospheric Science etc) and Planetary Science**
11. **Ecological And Environmental Science**
12. **Economics**
13. **Education**
14. **Engineering Science and Technology**
15. **Geography**
16. **Home Science**
17. **International Relations Studies & Defense Strategic Studies**
18. **Juridical Science**
19. **Linguistics**
20. **Management Science**
21. **Mathematics And Statistics**
22. **Medical And Health Science**
23. **Philosophy**
24. **Physics**
25. **Political Science**
26. **Psychology**
27. **Social Work**
28. **Sociology**

Besides, policy planners, development agents and social activists having concern for science-based pursuits also find welcome place in the Indian Social Science Academy. Thus the Indian Social Science Academy is all embracing and all encompassing within the framework of science.

The Indian Social Science Academy pursues the following activities for realizing its goal:

1. **Indian Social Science Congress**
2. **Network of State Centres / State level Academies**
3. **State level Social Science Congress in languages of respective States**
4. **Research and Training Centres**
 - (I) **Rural Development Centres**
 - (II) **Survey Research Centres**
 - (III) **ISSA Silver Jubilee Peoples Science Centre for Theoretical and Policy Research**
5. **Research Journals and Newsletters**
 - (I) **Bharatiya Samajik Chintan (English)**
 - (II) **Samayik Samajik Chintan (Hindi)**
 - (III) **ISSA Newsletter**
6. **Young Scientist Division**
7. **All India Young Scientists Convention**
8. **Publication of Books / Monographs in Indian Languages**
9. **Communication of Science to the People**
10. **Science Library**
11. **Local / regional / national / international seminars / symposia / colloquia / public lectures / Group discussions**
12. **Networking with universities, colleges, research institutes, agriculture and industries.**
13. **National Science Translation Centre for production of scientific literature in all Indian languages.**

Although the Government of India provides grant to all Science Academies including those which were set up after ISSA, yet the ISSA is not considered worth funding by the Govt.

INDIAN SOCIAL SCIENCE ACADEMY PRESIDENTS – PAST, PRESENT AND FUTURE

Sl. No.	Name of President	Place	Subject	Year
1.	Prof. A.D. Sharma	Allahabad	Economics	1974-75
2.	Prof. R.L. Singh (Late)	Varanasi	Geography	1976-77
3.	Prof. A.D. Pant (Late)	Allahabad	Political Science	1977-78
4.	Prof. B.K. Roy Burman (Late)	New Delhi	Anthropology	1978-79
5.	Prof. R.P. Dhokalia	New Delhi	Juridical Science	1979-80
6.	Prof. S.P. Dasgupta (Late)	Calcutta	Geography	1980-81
7.	Prof. Shib K. Mitra (Late)	New Delhi	Psychology	1981-82
8.	Prof. Gautam Mathur (Late)	New Delhi	Economics	1982-83
9.	Prof. Ravinder Kumar (Late)	New Delhi	History	1983-84
10.	Prof. Ramkrishna Mukherjee	Calcutta	Sociology	1984-85
11.	Prof. Yogendra Singh	New Delhi	Sociology	1985-86
12.	Prof. V.K.R.V. Rao (Late)	Bangalore	Economics	1986-87
13.	Prof. M.S. Gore (Late)	Mumbai	Sociology	1987-88
14.	Prof. B.M. Udgaonkar (Late)	Mumbai	Physics	1988-89
15.	Prof. D.P. Pattanayak	Bhubaneswar	Linguistics	1989-90
16.	Prof. Upendra Baxi	New Delhi	Juridical Science	1990-91
17.	Prof. B.L. Amla	Mysore	Biology	1991-92
18.	Prof. P.M. Bhargava	Hyderabad	Chemistry	1992-93
19.	Dr. K.S. Singh (Late)	Ranchi	Anthropology	1993-94
20.	Prof. A. Rahman (Late)	New Delhi	Physics	1994-95
21.	Dr. Basanta Sarkar (Late)	Hyderabad	Electrical Engineering	1995-96
22.	Prof. K. Raghavendra Rao	Dharwad	Political Science	1996-97
23.	Dr. Upendra Trivedi	New Delhi	Physics	1997-98
24.	Prof. S.C. Bhattacharya	Allahabad	History	1998-99
25.	Prof. G.C. Pande (Late)	Allahabad	History	1999-2000
26.	Prof. G.D. Sharma	New Delhi	Education	2000 -2001
27.	Prof. Rajammal P. Devadas (Late)	Coimbatore	Home Science	2001-2002
28.	Prof. K. Wilson	Hyderabad	Philosophy	2002-2003
29.	Prof. K.H. Cheluva Raju (Late)	Bangalore	Political Science	2003-2004
30.	Dr. A. K. Tharien (Late)	Dindigul	Medical Science	2004-2005
31.	Prof. M. G. S. Narayanan	Calicut	History	2005-2006
32.	Prof. N. Markandan	Coimbatore	Political Science	2006-2007
33.	Dr. Bhalchandra Mungekar	New Delhi	Economics	2007-2008
34.	Sri S.P. Shukla	New Delhi	Administration	2008-2009
35.	Prof. Meher H. Engineer	Kolkata	Physics	2009-2010
36.	Prof. Vinod K. Gaur	Bangalore	Earth Science(Geo-Physics)	2010-2011
37.	Dr. T. Karunakaran	Wardha	Engineering Science	2011-2012
38.	Prof. Santosh K. Kar	New Delhi	Biotechnology	2012-2013
39.	Prof. P.S. Ramakrishnan	New Delhi	Ecological and Environmental Science	2013-2014
40.	Prof. R.P. Singh	Pune	Physics	2014-2015
41.	Prof. R.C. Tripathi	Allahabad	Psychology	2015-2016
42.	Prof. B.M. Hegde	Mangalore	Medical Science	2016-2017
43.	Prof. K.S. Sharma	Hubli	Political Science	2017-2018
44.	Prof. Binod C. Agrawal	Ahmedabad	Anthropology	2018-2019
45.	Prof.. Baishnab C. Tripathy	New Delhi	Life Science	2019-2020
46.	Prof. Ashok Jain	New Delhi	Physics	2020-2021
47.	Prof. Shailesh Nayak	Bengaluru	Earth Science	2021-2022

Professor Ashok Jain
President, Indian Social Science Academy, Pragayraj, Uttar Pradesh, India

Dr. Ashok Jain is Ph. D in theoretical Physics and an elected Fellow of National Academy of Sciences, India.

His professional career started in Physics research and teaching at the Universities of Delhi, Kyoto (Japan), Bristol (UK) and International Centre for Theoretical Physics (Italy). He then moved into planning and management of Science and Technology as Science Attaché, Indian Embassy, Tokyo and as Director, Department of Science & Technology in the Ministry of Science & Technology, Government of India.

Subsequently he moved back to research in the emerging interdisciplinary area of interaction between science, technology and society (STS) as Director of National Institute of Science Technology and Development Studies (NISTADS) of Council of Scientific & Industrial Research.

Dr. Jain has been Coordinator of Commonwealth Science & Technology Indicators Programme, Member of Indian Social Science Research Council (ICSSR), Chairman of its OKD Institute of Social Change & Development, Guwahati, Chairman of National Committee on Science and Technology Information Systems, Member of Academic Council of University of Delhi, Member of Senate of Birla Institute of Science & Technology, Pilani, Chairman of Governing Body of Daulat Ram College of Delhi University, etc.

After superannuation, Dr Jain has continued research in STS, as CSIR Emeritus Scientist, Editorial Fellow of Project of History of Indian Science, Philosophy and Culture, Coordinator, Cross Cultural Innovation Project of The European Union, as adjunct professor at Indira Gandhi National Open University and as Vice President, EMPI Business School.

As Companion of Commonwealth Partnership for Technology Management (CPTM), London he is associated with S & T & Innovation Policy and Strategy programmes of several African and Asian Countries. He is founding member of Forum for Global Knowledge Sharing and founding President of Japanese Universities & Research Institutions' Alumni Association (MOSAI), an association that has received Japan's Ministry of Foreign Affairs Commendation. Dr Jain is recipient of Emperor of Japan's medal of honour.

Dr. Jain has published over hundred research papers in Physics, Science-Technology-Innovation Studies, Scientometrics and on India-Japan relations besides co-editing several books.

XLIV INDIAN SOCIAL SCIENCE CONGRESS

(March 15-19, 2021, Samrat Ashok Technological Institute (Engineering College), Vidisha 464001, (M. P.)

INDIAN SOCIAL SCIENCE ACADEMY

Let us come together and work together in search of that science of Nature-Humans-Society which will wipe out poverty, hunger, disease, illiteracy and violence from the mother earth for ever and enable every man, woman and child on earth to enjoy superior quality of material, social and spiritual life in peace and in harmony with Nature. Let us build a new science of newer and better Democratic and ecological civilisation.

MEMBERSHIP

The Indian Social Science Academy (ISSA) seeks to build science of Nature-Humans-Society in Indian conditions through integration of research and theories across all subjects. Its membership is open to scientists of all branches of science, social workers and policy planners. It is also open to universities, colleges and research institutes, national and regional laboratories, associations of scientific disciplines and other institutions/organizations including industrial organizations. Following categories of memberships are available:

	Membership Category	Fee Amount	
1.	Life Fellow	Rs. 7,000.00	(one time installment)
2.	Fellow	Rs. 1,000.00	(per annum)
3.	Associate Fellow (for Research Students only)	Rs. 500.00	(per annum)
4.	Sessional Fellow	Rs. 800.00	(per annum)
5.	Donor Member	Rs. 10,000.00	(per annum)
6.	Institutional Member
